

Kamil Trojak, MS, BS

Full Stack .NET Developer

kamil.trojak@outlook.com (& Teams) | +48 734 087 917 | Lodz Province, Poland

SUMMARY

Educated software developer with experience in designing, evolving and maintaining applications. Proficient in Microsoft technologies, low-level programming and databases. Ready to create scalable and resilient services used by hundreds of people across the world. Capable of enhancing software performance through code optimization and efficient resource management. Committed to continuous learning and staying current with the latest industry trends and good practices. Proven collaborator in distributed teams. Certified non-native speaker of English.

AREAS OF EXPERTISE

- ◆ .NET Stack
C# 13, .NET 9, XAML, WinUI, WinForms, ASP.NET Core, ASP.NET Web API (REST), Blazor, EF Core, LINQ / PLINQ, MVC, Razor Pages, SignalR, unsafe code, SIMD, P/Invoke, regular expressions, asynchronous programming, multithreading, LibMan, Moq, MSTest, NUnit, NLog, Kestrel, NuGet package repositories, Rx.NET
 - ◆ Client-Side Web Technologies
JavaScript, TypeScript, Angular, React, Bootstrap, jQuery, HTML 5, CSS 3, JSON
 - ◆ Database Designing
T-SQL, SQL Server 2022, SSMS, SQLite, Redis
 - ◆ Azure Cloud
Azure DevOps, YAML, Bicep, App Service, Functions / Durable Functions, Service Bus, Cosmos DB (NoSQL), Entra ID
 - ◆ Utilities and Operating Systems
Visual Studio 2026, Microsoft Edge DevTools, MSBuild, PowerShell, Windows Batch, Git, GitHub, winget, .NET CLI, Swagger UI, Docker, Hyper-V, Kubernetes, Regedit, Microsoft 365, Windows 11, Windows Server, Linux
 - ◆ Applied Sciences and Linguistics
Mathematics, American / British English (CEFR level C2)
 - ◆ Others
C, C++, GenAI, LLM
-

LICENSES AND ADDITIONAL INFORMATION

- ◆ Driver's license Class B issued in Poland.

PROFESSIONAL EXPERIENCE

♦ Senior Application Developer <i>Eviden Poland R&D sp. z o.o. (former Atos Poland R&D), Lodz, Poland</i> • Delivering high-quality solutions for international clients. • Developing microservices and refining their reliability. • Cooperating with a scattered team of developers on a variety of web and desktop applications. • Diagnosed and unraveled complex bugs across software components. • Contributed to feature evolution and issue fixes in large code repositories. • Upgrading legacy products and improving their user experience. • Examining and modifying large relational databases. • Working on cloud native applications utilizing Azure services.	April 2023 – October 2024
♦ Senior Application Developer <i>Atos Poland R&D sp. z o.o., Lodz, Poland</i>	January 2022 – March 2023
♦ Software Developer <i>Dassault Systemes sp. z o.o., Remote (Cracow, Poland)</i>	July 2021 – September 2021
♦ Junior Software Developer <i>IT Vectra SA sp.k., Lodz, Poland</i> • Developing custom web and desktop applications for clients. • Producing, customizing and performing migrations of database schemas using EF Core. • Implemented automated testing to enhance software quality. • Participated in the full software development life cycle, from gathering requirements to deployment.	May 2013 – June 2021

EDUCATION AND CREDENTIALS

♦ First Certificate in English (FCE), Council of Europe Level B2 <i>Cambridge English Language Assessment (Part of the University of Cambridge)</i>	June 2017
♦ English Course at Level B2 <i>English Language Centre (Part of the University of Lodz), Lodz, Poland</i>	October 2016 – June 2017
♦ English Course at Level B1 <i>English Language Centre (Part of the University of Lodz), Lodz, Poland</i>	October 2015 – June 2016
♦ Master of Science in Computer Science <i>Lodz University of Technology, Lodz, Poland</i>	October 2013 – March 2015
♦ Bachelor of Science in Computer Science <i>University of Social Sciences, Lodz, Poland</i>	October 2009 – March 2013
