Reporting and Analysis Specialist (Controlling)

PRICEWATERHOUSECOOPERS SERVICE DELIVERY CENTER
POLAND SP. Z O.O. · Katowice 

I collaborate closely with internal business stakeholders (PwC SDC managers) to gather reporting requirements and translate business needs into **KPI-based performance and management reports** covering financial and operational metrics (performance, efficiency, utilization, WIP, overtime, missing hours). I support the **month-end close** by delivering final management reports, validate reporting outputs to ensure alignment with agreed requirements, conduct internal **knowledge-sharing** sessions, and present reporting solutions supporting management decision-making.
