SUMMARY

Senior Accountant with experience in General Ledger, Treasury and Tax accounting, responsible for end-to-end month-end close processes, including accruals, prepayments, reconciliations and financial reporting. Experienced in ensuring accurate and timely financial operations, supporting audits and maintaining compliance with internal controls and statutory requirements. Focused on ownership of key accounting processes, efficiency improvements and high-quality financial close.

PROFESSIONAL EXPERIENCE

ZURICH INSURANCE — Finance Accounting & Reporting Senior Specialist

06.2025 – Present

- Managed RTR (GL), Treasury and Tax accounting processes, including AP coordination and support activities.
- Coordinated AP operations (invoices, expenses, travel settlements) and supported junior team members.
- Executed payments, payment proposals and cash flow monitoring.
- Performed month-end close activities (accruals, prepayments, fixed assets depreciation, reconciliations in BlackLine) under strict deadlines.
- Prepared CIT calculations and supported DIT processes; handled VAT classification and statutory reporting (GUS).
- Administered corporate cards (American Express) and supported Travel & Expenses processes, including onboarding and training sessions.
- Supported audits and maintained documentation in line with internal controls.
- Improved processes through automation and standardization (Excel tools, templates).

ARCELOR MITTAL — R2R Senior Accounting Specialist

04.2025 – 05.2025

- Participated in the preparation phase of a planned R2R transition project and completed structured onboarding to internal processes.
- Supported initial setup activities and documentation ahead of the intended assignment.

FOOTBALLCO SERVICES — Senior GL Accountant / Revenue Accountant

07.2024 – 03.2025

- Managed revenue accounting and ensured accurate postings in compliance with accounting standards.
- Prepared Budget vs Actual (BvA) analyses and supported FP&A forecasting.
- Performed accrued income reconciliations and variance analysis.
- Supported external audits through documentation and responses.
- Acted as point of contact for accounting-related queries across teams.
- Contributed to process improvements and reporting standardization.

General Ledger Accountant

04.2022 – 06.2024

- Performed full P&L and Balance Sheet accounting for international digital media entities.
- Prepared reconciliations for accruals, prepayments, fixed assets and intangibles.
- Supported month-end close, including journal entries, reconciliations and period closing.
- Conducted financial KPI analysis to support business performance.
- Managed fixed assets and supported AP on asset-related postings.
- Executed publisher share process incl. accruals and statements.
- Supported FP&A and reporting/T&E improvements.

MDDP OUTSOURCING — Junior Accountant

 10.2021 – 03.2022

- Supported accounting across P&L and Balance Sheet (accruals, prepayments, journals, reconciliations).
- Processed AP and AR transactions (invoices, expenses, travel settlements, payments).
- Assisted in month-end close and reconciliations.
- Supported VAT, CIT and statutory reporting.
- Handled inventory accounting and stock movements.
- Provided operational support and ad-hoc reporting.

Accounting Assistant

 12.2020 – 09.2021

- Managed bookkeeping and AP/AR for client companies.
- Supported month-end close, reconciliations, and statutory reporting (VAT, CIT).
- Issued invoices and handled operational accounting tasks.

Data Processing Team Assistant

 03.2019 – 11.2020

- Processed accounting data for multiple client entities using workflow systems.
- Invoice posting, business trips, and expense settlements.
- Supported workflow system implementation, testing, and process standardization.
- Provided training and guidance to new team members on workflow and document processing.

AUDYTORZY I DORADCY — Accounting Intern

 08.2018 – 09.2018

- Invoice entry and general accounting support.
