| Summary

Scrum Master with three years experience, working with multiple teams simultaneously in **data and IT environments**. Since early 2023, I have been working in this role, focusing on improving team **effectiveness, delivery predictability and process optimization**.

I specialize in stabilizing **team performance**, supporting collaboration in complex organizational environments and working closely with **Product Owners and stakeholders** to ensure efficient **backlog management** and delivery consistency. I use a **data-driven approach and Agile metrics** to continuously improve team performance and outcomes.

| Core Skills

- Scrum & Agile (Scrum, Kanban)
- Agile transformation & process improvement
- Facilitation & Agile coaching
- Stakeholder management
- Conflict resolution
- Data-driven decision making

| Tools & Technologies

- Jira, Confluence, Bamboo
- Miro
- AI tools (ChatGPT, Gemini, NotebookLM)
- MS Office
- MS SQL
- ABBYY FlexiCapture

| Professional experience

Scrum Master

Jan 2023 - May 2026

Stretto Sp. z o.o., Łódź

Key achievements:

- **Reduced delivery cycle** from ~6 months to ~3 months
- Increased **sprint predictability** to ~80–90%
- Led reorganization of a large team (20+ people) into 3 smaller, more effective teams
- Achieved **stable velocity** within ~3 sprints
- Supported Agile **transformation** across multiple teams in a scaled environment
- Supported Product Owners (including international stakeholders) and backlog management
- Supported **multiple teams simultaneously** (development, data, and operational teams in bankruptcy and banking projects)

Responsibilities:

- Removed and addressed **impediments** and optimized team processes
 - Supported teams in situations with limited or changing Product Owner availability, **ensuring continuity of delivery**
 - Structured and maintained backlog and supported product decision-making in low product maturity environments
 - Ensured alignment with **organizational processes and standards** in a structured environment
 - Facilitated Agile events and team workshops
 - Organized communication workshops and development initiatives
 - Provided 1:1 coaching to support team development and performance
 - Supported teams and stakeholders in a complex organizational environment
-

Languages

- Polish – native
- English – upper-intermediate (B2/C1 in practice), used in daily professional communication

Hobby

In my free time, I enjoy creative activities like crocheting and writing short stories, as well as exploring true crime series and crime literature.

I’m particularly interested in Korean culture, from K-pop and K-dramas to learning the Korean language. I also value staying active and regularly exercise.
