

Przemysław Kabała

Manual QA Tester | Test Automation | Playwright, API Testing

Manual QA Tester with 3 years of experience in testing web and mobile applications. Specialized in functional, integration, regression and E2E automated testing using Playwright and Selenium WebDriver. Hands-on experience with REST API testing (Postman, SoapUI) and SQL data verification. Daily work with Jira Xray, Confluence in Agile/Scrum environments. Currently expanding skills in test automation with focus on Playwright.

Work Experience

MANUAL TESTER / QA ENGINEER

Odrabiamy.pl (Makalu Media) | Kraków

03.2023 - Present

- Manual and exploratory testing of web and mobile applications (Android, iOS), including cross-browser testing: functional, integration, regression, smoke and exploratory tests
